

PARTICIPATE IN A COMMUNICATION RESEARCH STUDY

We are interested in how people communicate interesting pictures to a conversation partner.

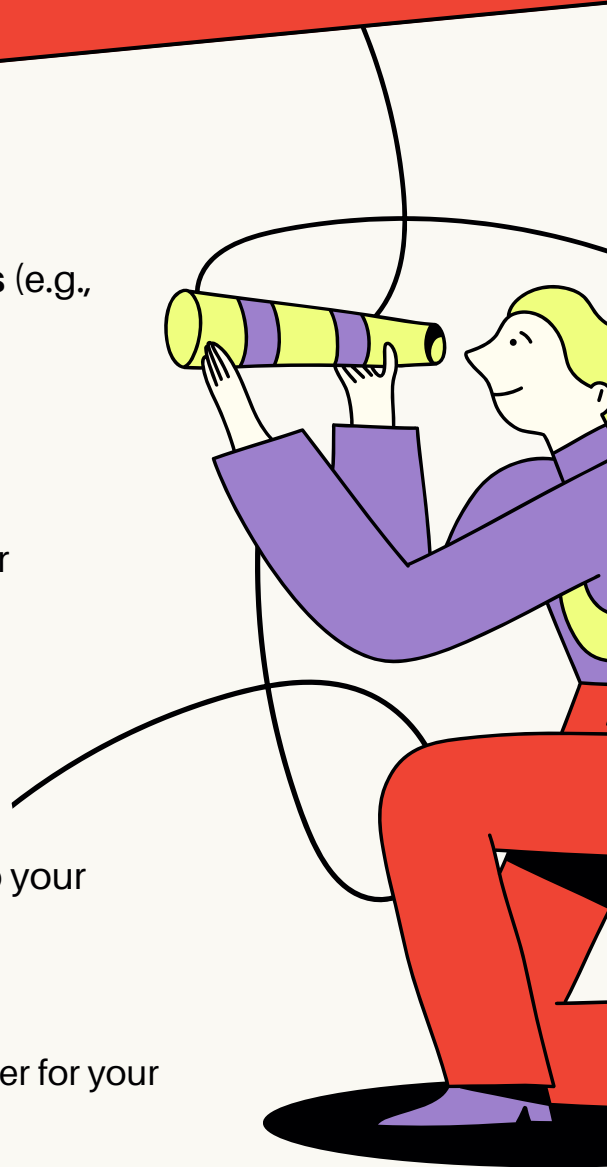

Who we need:

- A **pair** of familiar conversation partners of **5 years** (e.g., friends, family, colleagues)
- Both aged 18 or above
- Speak **English** as your primary language
- No history of stroke, brain injury, diagnosed communication disability or uncorrected visual or hearing impairments
- Both are **not** speech pathologists

What's involved:

- A single Zoom session (around 40 minutes)
- Look at interesting pictures and describe them to your partner
- Session will be recorded for research purposes

Participation is voluntary. You will receive a \$20 gift voucher for your time and participation.
