Brighter  
Futures*

As part of the ASSBI 50th Conference, we are seeking expressions of interest for a special exhibition featuring artwork by 50 people living with brain injury.

*50 artists. 50 artworks. 50 years of ASSBI.*

### We're looking for:

Painting, drawing, photography, collage or mixed media

Textile, craft, pottery or other small 3D works

Artwork around A3 size or smaller for hung pieces

Small works that can be safely transported and displayed

Because artworks will need to be transported to Melbourne, large or heavy pieces may not be suitable. Final artwork guidelines will be provided to interested artists.

**You do not need to be a professional artist to take part.**

**DIFFERENT  
PERSPECTIVES  
STRONGER  
COMMUNITIES**

### Interested?

We would love to hear from people living with brain injury, and from therapists, services and community groups who may know someone interested in contributing.
